
HEALTH & SAFETY POLICY STATEMENT

Verotec Ltd prides itself on being a responsible business that operates with integrity and recognises its duty to comply with the Health and Safety at Work Act 1974 and uses ISO:45001:2018 as a framework to implement a safe working environment.

Our statement of general policy is:

VEROTEC Ltd will, as far as is reasonably practicable:

- Make sure adequate insurance is in place.
- Provide adequate resources to maintain health and safety.
- Carry out risk assessments to provide adequate control of the health and safety risks arising from our work activities.
- Consult with our employees on matters affecting their health and safety.
- Provide and maintain systems of work which are without risk to Health and Safety.
- Provide and maintain safe machinery, plant and equipment.
- Ensure safe handling, use and transport of substances provided for use at work.
- Provide employees with information, instruction and supervision as is necessary to secure their health and safety at work and that of others who may be affected by their actions.
- Ensure all employees are competent to do their tasks, and to give them adequate training.
- Prevent accidents and cases of work-related ill health.
- Maintain safe and healthy working conditions and make adequate provision and arrangements for welfare facilities at work.
- Monitor, review and revise this policy as necessary at regular intervals.

The duties of employees are to:

- Take reasonable care of their own health and safety and that of others who may be affected by their acts.
- Co-operate with supervisors and managers on health and safety matters.
- Not interfere with, misuse or willfully damage, anything provided in the interest of health and safety.
- Report all health and safety concerns to an appropriate person.

To ensure the policy is effective Verotec will:

- Review it at regular intervals or on significant changes in our business.
- Keep up-to-date Training Records.
- Consult on any such changes with our employees.
- Maintain procedures of health and safety for the welfare of everyone involved at Verotec
